

Having your own business can be a big step.
Take out the risk with Computer Gym's
"Thumbs Up" Income Guarantee.

"You'll be off to a flying start with income from day 1"

Computer Gym is not a new business. We've been operating for 15 years and have an established market and customer base. Our curriculum, marketing and systems are proven and honed over time.

We know that if you follow our systems you'll make a success of your business. That's why we can confidently offer you a first year guarantee of your business income. It's our "Thumb's Up" Income Guarantee.

\$80,000 first year gross income ... guaranteed.

If your business doesn't achieve this income in your first year, we'll pay you the difference.

You'll gain added confidence knowing that we'll be going all out to support you in reaching your target.

How can we be so confident of your success?

- ✓ Proven customer demand.
- ✓ Large territories.
- ✓ Existing customers in most areas – you'll be off to a flying start with income from day 1.
- ✓ Low overheads / high margin – operating from home, no products to purchase.
- ✓ Extensive initial training covering all aspects of your business.
- ✓ Ongoing support and business coaching from experience Computer Gym operators.
- ✓ Systems that make it easy for you – you won't be spending all your time doing paperwork, you'll be out building your business.

Act now. Only a limited number of large territories are available in Sydney, Melbourne, Perth and Brisbane.

The \$80,000 income guarantee applies to those territories only, for a limited time. For smaller and regional territories a similar guarantee can be negotiated. Please note that the guarantee applies to gross income, before expenses are incurred. We'll provide more details during your franchise evaluation process.
